

We welcome article ideas on training, recruitment and employment law for our dedicated careers section.

Throughout the year we also run monthly focus features on a range of topics as described in the list below.

**There are lots of editorial opportunities which aren't covered in the below list** - every month we welcome feature suggestions (additional to the below) on a range of subjects that impact FM; e.g. cleaning, security, catering, concierge, CAFM, HVAC, M&E, PPE, H&S, fire safety, lighting and interiors, amongst others.

For more information about a specific feature or if you have an idea, or would like to discuss a subject that isn't covered in the focus features, please contact our Editor Sara Bean at [sara.bean@kpmmedia.co.uk](mailto:sara.bean@kpmmedia.co.uk)
